

Baby Baby Oh Baby

Bonding with your brilliant and beautiful baby through Infant Massage

BABY BABY OH BABY is an entertaining and informative introduction to infant massage, providing a step-by-step guide with chapters devoted to each part of the body, easy to follow demonstrations, and “real world” examples of mothers and fathers practicing these ancient techniques with their own babies.

Infant massage is a loving way to communicate with your baby, to bond and build trust and confidence for both baby and parent. When you give your baby a massage, you’re showing them just how much you love them, one stroke at a time. By introducing your beautiful baby to the joys and benefits of massage during infancy you’re giving a gift that can last a lifetime.

Genre: Documentary/Parenting and Childcare
Widescreen Not Rated Run Time: 45 min

“BabyBabyOhBaby” is a heartfelt 45 minutes of soothing music and giggling babies for your learning pleasure. This DVD is perfect for anyone wanting to familiarize themselves with the magic of infant massage.”
